No Scrap Metal

No Hazardous Waste

No Liquids

No Ceramics or Non-Recyclable Glass

No Non-Recyclable Plastics

No Crushed Cans or Crushed Plastic Containers

No Electronics

Remove caps or lids on glass bottles or jars

## Non-Acceptable Item TIPS

- While we have added new plastic items, many plastics are still not recyclable. Plastic lids, foam (Styrofoam®) and any other plastics not listed in our recycling guidelines are not recyclable.
- Ceramic, china, dishes, mirrors, light bulbs, Pyrex®, porcelain and window glass should not go in the bin! The entire load could be rejected if one of these items is in a load of glass.
- Syringes and needles, diapers and other sanitary products are not recyclable.
- Many toys have more than one plastic resin, or have steel pieces in them, or simply have nothing about them that is recyclable.
- Remove caps or lids on glass bottles or jars and put them in your cart separately
